

**2012 Domaine la Consonniere Chateauneuf
du Pape**

Tasted out of barrel and even better, the 2012 Chateauneuf du Pape (90% Grenache and 10% Mourvedre) has a similar, pretty style with crushed flowers, wild berry, spice and licorice aromas and flavors, medium to full body and a soft, layered profile on the palate. Lively and fresh, with excellent purity, it should be ready to go on release and drink nicely for 5-6 years. Drink 2014-2020.

No known American importer.
